Apr. 7, 1923.

An open meeting of the Aronas Grange #361 was called to order by Worthy Master Proctor.

Mr. Coleman representing the Calif. Pure and Apriat Growers Assn. delivered an address on Cooperative Marketing.

In his introductory remarks, Mr. Coleman praised the producing methods of the present day farmer, who toils hard but who does not get just returns for his labor.

As large tracts of land have been subdivided, many farmers now represent many small units of sale to a few accumulating buyers, who necessarily fix the price to suit themselves. No one save the farmers, sell at the buyer's price.

Mr. Coleman termed as "psychological anaesthetic", the persuasive language used by buying agent, who usually prevails upon the farmer to sell his crop early - for a song.

Prices fixed by the relation of supply to demand remain might until artificial interference is brought to bear. To receive what they should, farmers must reverse their system of marketing.

and cooperate in a large unit of sale so as to sell at their price in markets over the country & abroad. The heads of such an assn. as the Calif. Pear & Apricot Growers Assn. do not fix the price of sale for their members until the crops are harvested & the relation of supply to demand is known. To keep speculators out, the Assn. does not sell at once to a few buyers all the pooled products, but keeps some goods on hand as long as possible. This stabilizes the market price.

New markets are created for the Assn's brand of goods, which is prepared according to instruction so that year after year, purchasers know that the brand is reliable.

In conclusion, farmers ^{must} become members of a large selling unit and so fix ^{their} own prices according to supply & demand, & shut out speculators. This means Cooperative Marketing.

Worthy Master Proctor announced that there would be a special meeting of the Grange Tues. night Apr. 17th.

Mr. Proctor was instrumental in getting the farmers present to decide a call for a special meeting Wed. night Apr. 18th in this hall to make arrangements for trapping.

May 19, 1923.

There was no regular meeting of the Grange as an Outing at Big Basin had been planned for this evening & Sunday. The following had their machines filled to overflowing - John Winters, R.A. Stirling, Jim Stirling, Murdock Nicholson, Dayton Chadwell, Ed. Seely, Charles Rowe and Jim Rowe.

Emma Nicholson believing in comfort first & foremost went ^{to} ahead and secretly engaged a cabin.

As the machines passed thro' Watsonville, the occupants were seen getting out scattering in all directions, bent on various errands.

At Governor's Camp. Any firearms or Bow were questioned the warden of each driver. John Winter lost his gun & 50 f. That quieted his spirits & he was a model gentleman thenceforth, obeying his wife explicitly. How "flapperish" the warden wavered on his bicycle ahead of the machines, leading the way to an almost inaccessible camping location ^{as proven later}.

As Clayton Chadwell had Father & Ma Sallows along, he occupied space no. 23.

For an hour the men were so "enthused" over their new surroundings, that the women wondered if the pangs of gnawing hunger would ever bring the men to their senses and start the fires. Finally we did have a feast & three cheers for the cooks, Jim Rowe, R.G., Stirling, Charlie Rowe & Ed Seelys and Donald Fenwick who cooked the steak and made the coffee. But leave it to the Ladies to bring out the trimmings.

Around the big evening public
^{camp} fire, we listened to
 dull remarks, speeches,
 elegant & inelegant. Some
 strangers pointing to Jim
 Rowe were heard to whisper
 He must be paid public
 entertainer! After the fun &
 open air dancing some groups,
^{several hanging flashlights,}
 became lost, and tramped
 helter skelter on dark avenues
 in vain attempts to get to their
 beds.

As dogs circle around 3 or 4
 times before lying down, so
 did we when removing the
 least possible clothing & getting
 between the blankets. All
 were entering Slumber land
 when four unruly Quakers
 by name Fenwick, Bob Stirling,
 Murdoch Nicholson & Art Sallows
 decided to eat again. Soon
 a fire was blazing and after
 awhile one was heard to
 remark, Fenwick must
 have put more coffee
 than water in this ^{mixture} coffee.
 Then they ^{played} horse shoes.
 Mary Nicholson, Mrs. Robert &
 Ann Halloran having early
 chosen ^{for their bed} a spot apart from
 the others and which they
 thought would be less
 noisy, (found themselves)
^{came to} realized that they in the
 area of stray horse shoes.
 Murdoch Nicholson lost
 and found his bed

three times. His neighbor, Chas. E. Hadwell is reported to have snored in vibrant sonorous tones during the wee hours.

At five A.M. one long hungry man appeared & started the fire. Bob Stirling undertook to lasso a couple modest ladies. One was too quick & the other was a dead weight.

The savory odors of eggs, ham & bacon were soon in the air.

Emma Nicholson came down to enjoy breakfast. Behind her back, his chief makers made grave preparations for her funeral.

A skull capped, long robed officiator came out of the church where to conduct the services. It was not thought worth while to bury the body as her "Kissless Cooker" ^{friend} would pull her out of the grave as it would out of any other hole.

The order of the morning was a hike. The first hike was a harmless one, but Ah Granger threatened to Green Cave! None save Rev. Father Sallows, Mrs. Fenwick & 2 children attempted the 2nd, toward Boulder Creek.

After a couple of miles
by stage, "Poor Feather"
stopped a passing machine
to ask the way ^{back} to Gov. Camp.
"Poor Feather" and "said
family" were glad to get a
hike back to camp.)

To mention again the
hike to Green Cave, ^{on the way,} one of
the Stirlings proved
that he should be in the
"Bug House." This was a
headstrong group of hikers
led by Charles Kove or it
would never have reached the
noble heights of Green Cave. It
was so elevating that
some Quakers felt their heads
being cleansed of any
foolish ideas, which in the
future might persuade them
(to be) that one could climb
to heaven instead of using
the kneeling and praying
method.

Mr. Snyder motored
up with a select package
of Olive to enjoy Sunday
dinner.

After a couple hours
leisure groups began
leaving for their respective
homes.

Respectfully submitted

The score card by which our Grange is to be rated was read by the Sec'y. Also a letter ^{was read} from H. S. Clifton, Chairman of Tulare Co. Grange asking to be advised of the number of Aransas Grangers expecting to attend State Grange.

Under the head of new business Mrs. Myrtle Season was elected by ^{paper} ballot to represent us at Linmba.

Sis. Sallow Clayton Gregerson who is to serve as square on the books asked Com. to help for a limit. His request was "investigate" granted. For nonpayment of dues the following members of the Anderson family were suspended. R. L. Anderson, Ethel Anderson, Dorothy and Bertrice.

As four Farm Centers of this end of Monterey Co have agreed to exhibit together at Watsonville Sept. 25th 29th, Murdock Nicholson a member of Com. announced that donations might be left at Mr. Bindsey's store ^{from} where Monday at 9 A. M. they would be taken to town.

The Grange did not agree to rent this fall to certain parties who wanted to give

a dance to raise money to buy baseball suits.

A question boy occupied the Lecturer's hour. Some of the questions were as follows:

1. What will make farming pay?
2. Do you think the farmers will see better prices on their apples?
3. How shall we revive interest in Grange Meetings?
4. Explain five ways of improving our Grange.
5. How to enforce the 18th amendment? Mrs. Rohrbach discussed this question from the standpoint that the citizens should hold officers responsible or recall them. The American Legion should lend its prestige for law enforcement. A large percent of ^{the} bootleg trade is carried on by foreigners.

The Worthy Lecturer read a tentative scheme of the program for next meeting. The Monterey Co. Farmers on Sept. 29th will meet with Community Grange (Hall).

Last year as no block of 500 members for one unit of the State Grange Beneficiary Assoc. (was) formed, the Grange Member under 70 yrs. desiring life insurance, this year a drive is to be made to interest Grangers in the proposition.

The extracts from State Master's Harrison's report ^{at Simula} was read by Mrs. Cippermere as follows.

At the last National Grange Meeting 631 Grangers received the 7th degree of ^{conduct} by Mr. Gardner. The Grange went on record as being in favor of ^{the sale of} Muscle Shoals for development.

The election of Pres. & Vice Pres. by direct vote of the people;

A larger membership in County Granges or Parnassia Granges was advocated.

The Umas Grangers present at State Grange in Simula last month attended a meeting conducted by Juvenile Grangers ranging up to 17 yrs.

The children had their own music, wore robes made by themselves.

There are only two Juvenile Granges in Calif. and they are active, growing Granges.

Mr. Capper added more points of interest ^{taken} from State Grange. It was advocated that Stages should be taxed fairly as they are constant hard users of our highways. The Grange urges that the 18th Amendment be more fully enforced. The Grange stands for the good of the country, for order & for mankind.

It believes in reappointment of State Cess. according to population and two senators from each country.

During the Lecturer's Hour Mrs. Geo. Gregerson sang a song - Mrs. Rohrbach recited a piece called the Builders. Mr. Proctor told extensively of his trip to the East. He compared the price of fruit here & there. Our apples etc. going to waste, should by some economic scheme be shipped to points in need of them. In return, our needs in vegetables, fruits, grains should

be likewise be satisfied by prompt shipments from points of supply. This would make for more reasonable prices.

Mr. Proctor recited to us about one hundred of poems for him) Mrs. Proctor & himself in the New England States. The ^{suppressed} news of the war caused Mr. Proctor much serious thought and contriving.

Mr. Buckingham &
also mentioned briefly
of his Eastern trip and
pleasure received from
visiting old home
spots.

Under heading of For the Good of the Order, were the following items. It seems that after Mrs. Thoctos & Mrs. Lincaninger had planned a chicken supper for raising of funds - there appeared on the horizon, other people's schemes which interfered, so the chickens will retain their heads a while longer.

The Lecture House was given to the sport of a joke Xmas Tree after the close of Grange.

Worthy Master Barnett closed Grange according to form.

Amy Halloran.
Rec. Secy.

The Joke Tree afforded us much pleasure. We are glad that the Com. consisting of substantial members ^{did not} ~~did not~~ ^{did not} tire themselves out decorating it. There was plenty of room on the platform ^{for a goodly supply of} ~~for~~ the presents.

For the horse that Chas. Howe lost he got three to take its place. John Winter drew a gun, but as none of the horses were labelled stray, he dared not shoot. How sweet the music sounded coming from the 154 instruments of Addetto, Faal & Luther. Silk stockings were seen to dangle as they were unwrapped.

Mary Nicholson was heard to exclaim, "At last I have found a man."

Emma Nicholson's new diamond dazzled brighter than all the other diamonds in the room put together.

Murdoch was seen to socket three cute Kewpies, a school house and a brown church.

As yet we have had no report concerning the

Worthy Master's Bottle.

Addotlo's two geese ^{with} apple should furnish them with apple sauce and roast goose for Xmas Dinner. It paid them to come. The Com. seemed to be hard up for sells when they began handing out bugs. The Secy. has an automobile gaged at 55 mi low speed. She proposes taking Mrs. Proctor & Mrs. Murenbecker out riding soon.

Mrs. Sherlock
sang for
us.

Mrs. Cipper read a pleasing selection to the children. Elmore Cipper recited a piece portraying the misery of one's stomach after a big Xmas Dinner.

Puffed Rice Taffy and Salted Peanuts were served. & the chicken.

In the box was found a white rooster. On the box was read, "This rooster belongs to a Granger. 5¢ a guess."

95¢ was gained when Mr. Fenwick thought it must be his. He got the chicken. Evidently someone must have penned up his chicken waiting for this occasion.

Karl Klauermann's new whistle was used in the Paul Jones.

Respectfully submitted

Bro. Bob Sterling suggested that on account of the Hoof & Mouth Disease we take a measure of precaution in regard to our dances.

It seemed to be the sentiment that "It is better to ^{be} sick than sorry."

At the previous meeting we
had read to us a communication
from El Kgrave. It urged us to
work against the idea of a new
cabinet member, a national
head of Education in the U.S.

Discussion followed as this
item was brought up under
head of unfinished business.

Why should not Education
as well as other important
branches of our life have
a national head? Franklin
K. Lane said that ^{economically} ignorance
cost this country one billion
yearly. When we notice from
1920 census the large number of
children between eight & thirteen
years not in school; when
we recall that 1 out of every 4
men in army could not read
or write in English; when we

know realize that immigrants coming to us from some countries represent the lowest classes of those countries, then we must realize, that it is the necessary business of our nation to (combat) to plan ^{to finance} ~~and~~ ^{new} work for a (stable) higher degree of ^{American} citizenship.

This item was referred by motion to the Legislative Com. who are to report next meeting.

M. S. & C. that we endorse the Com. from Petaluma Chamber of Commerce, urging attention to the results of their investigations regarding privately owned utility enterprises & publicly owned utility enterprises. Since passage of Constitutional Amendment No I in 1911 and under Utility Act passed by Legislature in same year, our state derives the major portion of its revenues for maintenance from taxes levied upon the gross receipts of privately owned enterprises.

Facts now show that these numbers of publicly owned enterprises are increasing so as to escape taxation.

Therefore the unjust burden of taxation must fall most heavily upon the rural population, where there are no private enterprises. The Petaluma Chamber of Commerce

recommends ^{state} legislation providing for revenues ^{to be} derived from tax levied on gross receipts of publicly owned enterprises.

M. S. & C. that we have a dance May 31. The Com. to consist of Sis. Sherlock, Bros. White & Klausmann.

M. S. & C. that proceeds of this dance be used for fixing the stage. Worthy Lecturer Sherlock, asked for right to purchase several books at 35¢ so as to assist those working on a play. Also her need of a key when coming to hall with those practising for any program was mentioned.

The Worthy Steward evidently attends to business as he reported finding door unlocked & open. Cats Com. ^{appt} for Grange night June 7. ^{one} Sis. Sallows, Addotto & Swearingen.

Referred back to New Business Bro. Rueter moved that as the Lecturer's duties were heavy and she expended much effort that her lodge dues be remitted. It was S. & C.

The dam proposition was reported as worrying those living below, who were not getting enough water for irrigation. Of course no good Granger wants to see a swimming hole maintained at the expense of agriculture. The general opinion was that not as large a pond

or as deep as those of former years was necessary. Only slowly was the pond filling anyway. The pumps working above the dam were getting the best portion of water.

After a long rap, the curtain Com. was reported making up.

To present those on the outside looking in, a discussion ensued as to whether we should have roller shades, or frost the windows, or purchase a certain window paper. Investigation as to the best

play was left to the Com.

Mr. Eipper presented a bill, for 67¢ for milk, sugar, & Coal oil purchased from Mr. Biedsey. It was paid from the Kenney fund.

Treasurer Elmer Snyder stated that only \$958 remained on our note.

An applause was sounded.

M. S. & C. that we endorse the Resolutions of the Retaliuma Chamber of Com. That means we vote No on Initiative Measure I on Ballot. For if this measure carried the 40% Gross (proceeds) incomes paid by motor busses would not be available for the state highway maintenance funds.

A letter from Mr. Chas. Bulmer read, opened up the subject of our need of two fire-extinguishers. Bro. Eipper thought them a vital need. Bro. Blohm thought that to obtain the highest efficiency, a man should accompany the extinguishers for the purpose of operating them, when no meeting was in session.

M. S. & C. that the Ex. Com. investigate and do as they see fit.

If the Grange had ample funds with which to purchase folding doors some would be happy,

but when doors are mentioned some other members cry out, "Paint the roof!"

Nevertheless, the door com. consisting of Bros. Snyder, Buckingham, plus John Winter, who was named regardless of his protest, the same as if he had been asked to forfeit a gun, were authorized by carried motion to do their duty in finding out costs & report next meeting.

A letter from an absent member, Mrs. Fair, who is in the East was read.

The Grange expects to give a Halloween Dance Fri 31st to be continued until 1 A.M.

There will be special decorations.

It was suggested that we hire our orchestra for the 2nd and 4th Sat. Evenings in Nov.

M. S. & C. that our delegate take a report to state Grange, at Santa Rosa.

Deputy La Dudgeon was present and spoke. From him we learned that in opening and closing the Bible by Asst. Steward, the L. A. Steward holds his staff as well as her own.

The report of the "Slow but Sure Curtain Com." so dubbed by its Officer who reported was splendid. The Curtain material cost \$29.98. The window blinds \$8.90.

45 Tacts
\$49.33 Total.

The curtain and blinds had been put in place and the effect is very pleasing. A rising vote of thanks was given the Com.

The Executive Com. recommended that we purchase two one qt. fire extinguishers as suggested by Mr. Bulmer.

It was M. S. & C. that the Com. be instructed to carry out their suggestions.

The Treasurer took charge of our tax bill of \$36.96.

A communication from the San Jose Chamber of Com. urged our delegate to State Grange to look for San Jose for a National Grange meeting place.

A speaker from Salinas had promised the Lecturer to be present, but he failed to appear.

Suggestions for the good of the order! — —

The space under the platform used for wood, was denounced as a fire trap. It was urged that this be cleaned out and a woodshed built. Also we should have a screen for the fireplace.

Bros. Cippier, Nicholson, and Fenwick were appt. as a com. to see to the above.

It was strongly urged that we paint the roof of the Hall; that other provisions should be made for the checking room: instead of installing fold doors just yet, we should pay off our note, then place a mortgage on this hall, so as to ^{begin} pay off the preferred stock purchased by many Grange members.

Bro. Nicholson stated that
as funds were low, the
woodshed and screen Com.
did nothing.

At this time, he gave his
report of State Grange
attendance.

Six new subordinate granges
have been given charters
during the past year.

The Nat. Grange will meet
at Sacramento at that

city obtained six votes more than did San Jose.

The next meeting ^{city} of the State Grange has been left to the choice of the Ex. Com.

The Grange Fire Ins. has 930 policy holders. The past year \$2400 was paid on three fires. The full amt of premiums is \$700,000.

The Ex. Com. may ask: The question as to whether we could raise the Ins. on our hall was settled, as we can insure for $\frac{2}{3}$ of real value regardless of cost.

The ^{State} Grange went on records, against the Child Labor Amendment to U. S. Constitution.

The Grange favored the proposition that no lumber be shipped to foreign countries as our supply is decreasing.

Bro. Nicholson reported having had a fine time, having seen the most chickens all around. Bro. and Sis. Eipper who came in later were asked to report their attendance at Santa Rosa, but instead they reported were on Murdoch Nicholson, who probably wished that someone had been left at home. At any rate our delegate served on im-

portant committee.

By carried motion, the following bills were ordered paid.

Murdock Nicholson
for Delegate Expenses Rmt B'd \$15.00
Chas C. Bulmer for

\$39.00

The Secy was instructed to write a letter of appreciation to Mr. Bulmer who donated \$3 the difference in cost of a qt and qt & a half size extinguisher, as he installed a qt & a qt & a half size fire extinguishers.

Worthy Overseer Klausmann brought in the Secy. book stolen in Sept. from a machine at the river; Mr. Milbur Johnson found the book in the Myers Orchard.

As yet the reward offered by the Financial Secy has not been paid.

Again, our paintless roof was mentioned.

The Ex. Com. was asked to see Mr. Luther about the paint & oil.

The same Com. acting Nov. 8, are Bros. Nicholson, White, and Ed Bayles and Sis Seaton.

M. & L. C. that the Grange purchase two more push brooms.

Brs. Proctor came just in time to give an account of his camping trip in Oregon. He recommended the Oregon Trail Cave and the Columbia Shrine to travelers, for their points of interest and beauty.

On behalf of the screen com. Murdoch Nicholson promised to obtain ~~code~~ ^{code} large enough for our fireplace.

For the door com. Bro. Buekingham gave a report, which he would carry out in case a majority of the members favored installing doors at this time. - Doors would cost \$132. and Hangers \$35. - total of \$167. A motion to install the doors was laid on the table.

The slow freezing process that some of us indulge in, during meetings cost us nothing so why worry about doors at an added expense?

A resolution adopted by
the last state Grange was
read. Our attention was called
for the need of a solution for the
fact that consumers of meat
pay much more than the raisers
realize.

A notice written by Big John Eipper of Monterey Co. Pomona informed us ^{that on Dec. 1st, 1924} this Pomona Grange was surrendering its charter, issuing dimitts to all members in good standing. It was strongly recommended that the three remaining subordinate granges in County follow a policy of fraternal visits, asking the other two to ^{on regular} meeting during the year.

Past Master Wm. J. Eipper assisted by Sisters Eipper, Snyder and Gregerson cleverly carried out a scheme of installation on short notice. It was the most pleasing installation that we have had.

The following officers were ^{not} installed, Lecturer Mrs. Sherlock - as elected.

Suggestions for the good of the order include increasing the amount of our finances, hence another dance is scheduled for Jan. 10. Bros. Bohmelt, Fily & Nicholas will act as the Com.

New Worthy Master Klau ^{men} responded with remarks, as did Past Master Bohmelt who thanked the members for past support.

The Secretary's report for 1924 was read.

M. S. C. that Ex. Com. purchase two globes ^{for outside} to ^{today} replace those broken.

The Secy. was intrusted to write a letter of thanks for machines donated. no for a dance by Peterson Bros.

M. & C. that we get the oil out here for our roof - whether roof is painted yet or later.

they should. After some
discussion it was moved

Lecturer's Hour.

The newly elected Lecturer
volunteered to take charge

of the program, and asked each member in turn to do his bit by answering these questions:

"What would you do if you were elected Lecturer? What kind of program would you have?"

Many helpful suggestions were given, and the Lecturer elect was made to realize that he need have no fear that anybody would over-her proposition.

Suggestions for Good of Order:

M. S. & C., that motion to install doors be taken from the table.

Motion carried that the Floor Com. be instructed to purchase and install door for this hall. That payment for same be made after all monthly bills are paid. Home Coming Night.

Nov. 21, 1925.

Address of welcome & brief review of the Aronas Grange as given by Bud Frank L. Knacton.

Fellow Grangers & friends,
We are gathered here this evening to the Home Coming of the Aronas Grange #361. It is my privilege to extend to you a cordial welcome.

I do not see now by the Com. Sisters Amy Halloran, Smearingen, Capper, Sallows Snyder and Biddle picked on me for this introduction, as there are many in the Grange who have had a membership much longer than I, and who know about the early events as they transpired. Right here let me state that I am indebted to our very efficient secretary, Amy Halloran, who has gone through the records and provided me with much of the data contained herein.

Aronas Grange #361 was organized Jan. 13, 1913 by State Organizer Charles H. Collins, with a list of twenty-seven members as follows. A. J. Cable, Tom Cable, E. E. Seely

Mr. & Mrs. G. B. Hickman
 John W. Minter, Fred Sorenson
 Mr. & Mrs. H. F. Blohm, Chester
 Chadwell, H. C. Hitchings,
 Frank Sprague, Mr. & Mrs.
 W. B. Jones, Elmer Snyder,
 H. W. Miermeyer, Emil Wisenmey,
 Mrs. A. T. Ross, Dr. Buehler,
 Lewis Minter, George Robbins,
 Freddie Blohm, W. P.
 Hitchings, Gussie Blohm.

Bro. H. F. Blohm was
 elected the first Master.
 Sec. E. E. Gely, Treasurer
 Elmer Snyder.

The list of worthy
 Masters is as follows:
 H. F. Blohm, W. B. Jones,
 Carl Robbins, Elmer
 Snyder, P. J. Bryant, Wm. J.
 Eipper, Murdoch Nicholson,
 Frank L. Proctor, Cross
 Bohner & Karl Klayman.

The policy of the Grange
 has always been to pro-
 mote Community Spirit
 and has taken an active
 part or the lead in
 getting those things
 which the Community
 should have. When
 Aronas needed street
 lights, the Grange started
 the ball a rolling.

Recreation grounds we
 have at the river,
 tables constructed, bath
 houses, concrete stores,
 we and all Aronaite.

have been able to enjoy many picnics there. We have done our bit for the U. M. C. A. work during the World War and Liberty Loans. We worked many years for a new railroad station. Just recently we find many of our members working on the new concrete foundation for the new school house, now in process of construction.

I could not go further without giving personal mention to some who have worked to advance the principles and activities of our Order. Brothers Le Dudgeon & W. W. Wells have always stood ready whenever called upon to install our officers. Bro Blohm, who has the honor of being the first master & oldest active member on the Executive Com. has always been an inspiration in all progressive steps. His wise counsel has not only been sought, but accepted many times.

Bro Elmer Snyder, one of our most faithful members has been in office continually until this year,

being elected first treasurer he held that office until 1917, when he became worthy Master, after which he was reelected to the office of Treasurer & held the same until 1925. Later I will mention some of his further activities.

Another true blue officer is Bro. Arthur Sallows, who was elected to the office of Gatekeeper for the terms 1919-20. During this time he was absent only two meetings. Then being elected Steward, the office which he has held since he has had perfect attendance, a credit that no other officer has enjoyed.

Bro. John Winter has always shown his loyalty by being on hand to help out when we had a hard job to put over.

The Bible, which we now use and which is about fifty years old, was presented to the Grange by Mrs. Caroline Proctor, who is now 90 years old.

The handsome set of dishes in our kitchen was presented to us at our first Harvest Feast in this new hall by Bro. and Sister Swearingen, and we assure them that they have been

greatly appreciated.

Bro. C. A. Buckingham built and presented the Grange with a new altar.

Bro. King has given his work and painting of the drop curtain; also the sign on the outside of the hall.

There are so many loyal members, who have shown their allegiance, but for lack of time we would mention.

I can safely say that the Grange does enjoy a good time. I shall refer to just a few (which) Many of them being led by Big Brother Murdock Nicholson, who has planned and carried out such picnics as to the Pinnacles, Big Basin and on clams etc. He also agitated the organizing of a Farm Center here & which was duly organized in 1918 with a membership of 29.

We have had spelling matches, Baby Picture show - the fattest baby being Wm J. Cipper; Also we have had masquerades, hard-time Parties, trips to other Granges, among which are Orchard City, Greenfield, Fort Ross, Elkhorn; We have had pantomimes, debates, stunts

as eating a pile, minus silverware. The winner was John Winter.

A Grange Orchestra was organized by Mrs. Rena Harney. We now have a flourishing Glee Club - sponsored by our organist, Sister Mary Kemwick.

Many Xmas Parties, balls - and all day Thanksgiving Granger & friends enjoy Thanksgiving in this hall. Recently, we enjoyed a good old fashioned Halloween Party.

The Grange bought and paid for a player piano, which has been a source of revenue and pleasure.

In the summer, ¹⁹²¹ it was thought by a few that we should give some attention to the building of a new hall.

About ten Grange brothers met at the home of Bro. A. C. MacDiarmid to discuss the same. The time had arrived to promote this Grange project.

On Aug. 20th of same year, it was voted that we build and before the next meeting Bro. Blahm had secured a plot & option on this lot 150 x 130 feet.

1921

and given his personal check for a deposit. In about one week, nearly \$500 had been pledged and paid to Sec. Mac Diarmid to purchase the lot. We began hauling gravel for the foundation Nov. 8th. All members were requested to bring in plans for the building. Only one, Sis Blohm's was presented and it seemed to meet our needs, so was accepted. Under the able management of Bro. Elmer Snyder and John Winter, you see before you this beautiful hall. Many members gave work. Some gave work and money, others only money. We obtained a loan of \$3000 at the bank, purchased our lumber in car load lots, thus making a substantial saving. In the four years by holding bazars, dances, rent from hall we have been able to reduce our note at the bank from \$3000 to \$200.

You can see that we are in a prosperous condition with a membership of 135.

After our note is paid we shall still owe preferred and common stock

certificates to those members who contributed and the same will be paid in due course of time, about \$2500.

For nearly much degree ~~work~~ was put on, and which lent much dignity to the order. I wish to state that in the near future, we shall delve into the ritual, have a good degree team, put on the work so that our new members can get the benefit of the lessons that our order has for them. It has been my privilege to visit the State and National Grange Sessions held last week in Sacramento. One cannot attend those sessions without coming home full of inspiration.

There was a class of 350 who took the 6th or State degree - and 871 for the National degree or Ceres. This 4th is the most beautiful.

I thank you for your kind attention and trust that you will have spent a profitable and pleasant evening.

Worthy Master Klaumann said he was very sorry but the matter had completely slipped his mind and it was not too late yet. and that it would be one of the duties he would pass on to the new master. Bro. Hickman was reported out of the away from home and improving. Bro. Bohnett was reported as being in San Francisco in St. Mary's Hospital - but particulars as to his condition were not learned.

It was m.s.v.c. that warrants be drawn on the Treas for bills presented.

A letter from Sister Evelyn Buckingham was read, thanking the Grange for the flowers she received while in the Hospital. Communication was read from the R.R. Commission.

Mrs Rose Wilson was given the obligation for the 4th Degree.

Sister Mary Nicholson announced that she was still taking money for

dues to the Farm Centre for 1927.

M. S. & C. that demits be granted Bro. & Sister Julian.

The secretary read the yearly report for 1926.

State master, ^{Geo. R.} Harrison and sister Harrison were with us and, assisted by sister Gregerson installed the officers. Bro. Harrison said that as he had assisted at the dedication of our beautiful (Hall) building he felt especially interested in the Aronas Grange. During his talk he put much stress on the importance of opening Grange promptly on time and that the members should be on time so as to help the officers.

Sister Sallows was asked to procure flowers for Bro. Hickman.

The Exec. committee reported they had examined books and found them correct.

The lecturer gave us a very nice program consisting of a fancy "dance" by Pearl Bohnett, who was encored.

"Skit" - "Cohen versus Cohen" - Sister ^{Geo.} Gregerson taking the part of Cohen and Sister Klammann the part of his attorney. They gave an encore in which they mentioned Sister Sallows, Fae, and Mary Nicholson.

"Duet" - by Mashado and Bohnett.

W. M. Cypper spoke in regard to a letter received from ^{agriculture & legislation committee} (Dept. of Agriculture). He suggested that the Grange take some action in regard to the Daylight Saving Plan. Bro. Harrison said that National Grange had gone on record the last three years as being very

much opposed - that the agriculturists do not need a law like that. It is for city people, as the farmer does not stop for daylight, and unless universal this law would be an aquivocation.

Sister Mary Nicholson moved that this change go on record as opposed to the "Daylight saving". The motion was seconded ^{and carried}. Letters were ordered written to State Senator and ^{Representative} (Assemblyman) from this district.

^{Past Master} (Bro.) Klaumann suggested we help Sister Eva Bohnett in the Appleton Theatre contest whereby the orchestra is to donate the music and the door receipts to be returned in theatre tickets.

M. S. & C. To give a dance Jan 15th the committee being Bros. Klauman, Fly and Elmore Eipper.

Sister Birbeck spoke to us in regard to having a deputy Sheriff help Mr. Reid keep children home nights. Sister Mary Nicholson suggested the Secretary write the sheriff, tell him of the situation here, find out if we can get a deputy appointed and get his ideas. For the Lecturer's Hour, a recess was declared. Sis. Birbeck presented two of her little ^{piano} pupils. A very interesting skit was given by Brothers Grable & Delladewa entitled "Frog Legs for sale". as there seemed to be a scarcity of frog legs, it was suggested that an unlimited supply could be procured by going to our worthy Master's lake. The Brothers & Sisters of the Grange united in a song service, singing "Sell your scrubby Breed" and "I Don't Any Trouble". Members had written verses on valentines and these were read, furnishing much amusement to all.

Our Lecturer then informed us that if we wanted anything during the Lecturer's Hour she would expect each one of us to help.

It was suggested that the executive committee swear out a warrant to get the boys who have been breaking in our building but our worthy master thought we might find a better way to catch these boys, as did also Brothers Bohnett and Fenwick.

Past Master Klauermann reported the last dance as not having been very profitable the large amount of 5 cents being left to pay on advertisements.

CEREMONY FOR DRAPING GRANGE
CHARTER WITH MOURNING
(ADOPTED IN 1921)

Immediately after the third order of business(reading the minutes of last meeting),the Chaplain shall rise and say:
"Worthy Master,I have a report to make to Worthy Ceres," Master will say; "Proceed Worthy Chaplain." Chaplain says, "Worthy Ceres,it becomes my sad duty to inform you of the death of our worthy(brother)."

Ceres shall then rise and say: "Patrons(again)we are called to mourn the loss of a worthy(brother);but let us remember there is healing in the bitter cup. God takes away from us those we love,as hostages of our faith;and to those who look forward to a reunion in another world,where there will be no separation the evening of life becomes more delightful than the morning, and the sunset offers brighter and more beautiful visions than those we build in the morning clouds and which dissapear before the strength of day.Faith is that precious alchemy which transmutes grief and makes affliction appear what it really is,a dispenser of mercy.

"Worthy Master,let us cover our charter with this crepe as a symbol of the cloud that has descended upon us in the death of our worthy(brother)." Master calls up.

The A.S. and L.A.S. shall then march to Ceres,followed by Chaplain;on reaching her station,the Chaplain shall fall in between the A. Stewards and all march to the charter where Ceres passes the drapery to the Chaplain,who places same over the charter.
